

Head, neck and mouth cancer Support Group

Meeting in Brisbane

On the second Tuesday evening of each month at Cancer Council Queensland, 553 Gregory Terrace, Fortitude Valley.

We are a small group who have been through the treatment for a variety of forms of head, neck and mouth cancer.

We offer a safe environment and an opportunity to meet with people who have been, or are currently in a similar situation to yourself. We discuss what to expect, methods of dealing with the diagnosis, treatment and returning to an active life afterwards.

Call the Cancer Council Helpline on **13 11 20** (toll free) or Martin Doyle **0419 708 188**
